

**Amendment(s) to the Specification:**

Please replace the paragraph beginning at page 4, line 25 with the following replacement paragraph:

The invention will now be explained in more detail with reference to ~~two~~ figures 1-3 illustrated in a drawing, ~~which~~ figures ~~are~~ 1 and 2 being a schematic side elevation of two embodiments of a lighting device according to the invention, and figure 3 being a more detailed view of a portion of embodiment of figure 1.

Before the paragraph beginning at page 5, line 17, please insert the following new paragraph:

Figure 3 shows a more detailed view of a portion of the embodiment of figure 1, in which fixture 2 and light transmitting element 4 both have substantially parallel surfaces 2A, 2B, 4A and 4B. Surfaces 2A and 4A face toward the lamp 3, while surface 4B faces the fixture 2. Surfaces 4A and 4B of light transmitting element may both be substantially optically smooth surfaces, or one or both of these surfaces may optionally be optically roughened.
